Email: Razan.b.alhroub@gmail.com

Address : Alhekma Street, Abu Alanda, Amman, Jordan

Nationality: Jordanian

Objective:

I'm a fresh graduate computer engineer, seeking a challenging position as a computer engineer, where I can utilize my technical skills and expertise to develop innovative solutions for real-world business challenges. Eager to collaborate with talented teams, leverage cutting-edge technologies, and contribute to the development of scalable and efficient software systems. Committed to continuous learning, professional growth, and delivering high-quality solutions that exceed expectations.

Technical Skills and Proficiencies:

- Algorithms.
- Projects in python in Data Science, Computer Vision, AI courses.
- Projects in Verilog in VELSI and DSD courses.
- Soft Skills in C++.
- Programming languages (Web Development):
- Server Side: TCL, and Python.
- Client Side: HTML, CSS, and JavaScript.
- Object Oriented Programming.
- Database Development: SQL: MySQL, and PostgreSQL.
- Version control: GIT.

Work Experiences:

- IEEE Member at The Hashemite University Branch in the Computer Society June 2020 to June 2021.
- Software engineer Intern at Bayt.com October 2023 January 2024.
 - Created scalable and fast systems and enhanced database applications.
 - Integration of user-facing elements developed by front-end developers.
 - Solve complex performance problems and architectural challenges.
 - Understanding of MVC design patterns and follow industry best practices.
 - Troubleshoot, test, and maintain the core product software and databases to ensure strong optimization and functionality.
 - Passion for best design and coding practices and a desire to develop new bold ideas.

Education:

- Sept 2019 - January 2024 bachelor's degree in computer engineering. Hashemite University, Jordan. Grade: Good.
- 2019 Science Stream Tawjihi, Al Quds School, Amman, Jordan.

Personal Skills:

- Good team member, leadership, and coordination.
- Excellent communication, negotiation, and interpersonal skills.
- Ability to learn quickly.
- Good time management.
- Dedicated and highly motivated.
- Positive Attitude.
- Possess the skills to prioritize needs for effective planning.
- Very active and flexible, and the ability to work under pressure.
- Ability to adapt to new environments and work conditions.

Languages:

- Arabic (Native) / English (Very good)
